

Corporate profile

ABOUT US

We are a family-owned independent restaurant operating inside Bill Baggs Cape Florida State Park. We have over fifteen years of experience as the concessionaires inside Bill Baggs and we serve more than eight hundred thousand visitors per year. Boater's Grill first opened its doors in 2000 and quickly became a favorite destination for lifelong sailors and boating enthusiasts, as well as local families and seafood lovers.

OUR VALUES

Our goal at Boater's Grill is to insure that visitors have an unforgettable time. One

of our keys to success is to build a performance-oriented organization based on great service, responsibility, teamwork aimed at customer satisfaction and a commitment to quality. We hope to have every customer become a repeat customer, not just for the quality of our food, but also for the friendly atmosphere you're sure to find at Boater's Grill.

OUR CONTRIBUTION

We are proud to be an active member of the Key Biscayne Chamber of Commerce. As an independent business, it is of the utmost importance that we contribute to the city of Key Biscayne and the growth of our

community. Given our location inside Bill Baggs Cape Florida State Park we take great measures to promote environmental standards with regards to recycling, waste disposal and the utmost care for the nature of the park.

We believe in strengthening Florida's tourism and take great pride in having our cuisine contribute to South Florida's cultural landscape.

OUR CUISINE

Although we consider seafood to be our specialty, we offer a wide variety of selections to satisfy every palette. From whole fresh fish to paella, from steak and lobster to rice and beans, we have everything you're hungry for.
