

LIGHTHOUSE CAFÉ

Corporate profile

At Lighthouse Café we provide our guests with well prepared, fresh meals in a casual atmosphere overlooking the ocean.

Located within Bill Baggs State Park, we invite you to come and experience the real Florida!

Lighthouse Cafe first opened its doors in 1995 and quickly became a favorite spot for locals and visitors alike. Nothing is more important to us than the satisfaction of our customers.

We are a family-friendly casual restaurant, outdoor, nestled between one mile of beautiful Atlantic shoreline and over 400 acres of indigenous plant and wildlife animals.

Currently, we receive local visitors, travelers from all over the world, photography lovers and lots of friends.
