BILL BAGGS CAPE FLORIDA

Since 1967, Bill Baggs Cape Florida State Park has welcomed guests from all across the world. The lighthouse, built in 1825, serves as the centerpiece to this, one of Florida's most historic state parks.

It is with great pleasure that the Lighthouse Café shares its name with such a historic landmark.

If there is anything we can do to make your visit with us any more memorable, please do not hesitate to ask.

**BON APPETIT!**
