

The background is a stylized illustration. On the right, a red lighthouse stands on a rocky outcrop. The sky is a light yellowish-tan, with several birds in flight. The ocean is depicted with wavy lines in shades of teal and yellow. In the foreground, there are green palm fronds and a large, stylized green and yellow pattern that resembles coral or a large leaf. The overall color palette is warm and coastal, featuring reds, yellows, greens, and blues.

LIGHTHOUSE -CAFE-

BILL BAGGS CAPE FLORIDA

Since 1967, Bill Baggs Cape Florida State Park has welcomed guests from all across the world. The lighthouse, built in 1825, serves as the centerpiece to this, one of Florida's most historic state parks.

It is with great pleasure that the Lighthouse Café shares its name with such a historic landmark. If there is anything we can do to make your visit with us any more memorable, please do not hesitate to ask.

BON APPETIT!
